

A Public Consultation

Brent Council proposed expansion of Fryent Primary School

1.	Introduction <p>Fryent School Primary School is a community school located in the northern half of the borough. It provides school places to 420 boys and girls between the ages of 4 – 10 (Year R to Year 6); there is also a nursery with 52 part time places from September 2012.</p> <p>Currently, the demand for school places in Brent as in many outer London boroughs is increasing. The demand for primary places in the Kingsbury area specifically has led to the proposal to expand Fryent Primary School.</p> <p>Brent Council in partnership with Fryent School is consulting with staff, parents and the community on the option to expand the school by two new forms of entry (2FE). The expansion will provide an additional two classes in each year group (420 new primary places in total). The increase of 60 places per year group is intended to start at Reception age in January 2013 and rise to Year 6 by 2018.</p>
2.	The proposal <p>Brent Council is proposing to expand Fryent Primary School, Church Lane, Kingsbury, London, NW9 8JD by two forms of entry (420 additional places), taking the school capacity from 420 places (Year R – Year 6) to 840 (Year R – Year 6). The school will continue to provide a nursery with 52 part time places from September 2012.</p> <p>The expansion of the school is intended to commence in January 2013. With regards to admissions, the increased intake will affect those children entering Reception at the school from January 2013 to September 2018.</p> <p>The proposed accommodation for the expansion by two forms of entry would be of a permanent high quality modular construction situated on the left side of the existing school buildings. Subject to further design, it will include demolition of the existing dining block, mobile block and Horsa hut units. The mobile block and Horsa hut will be replaced by new classrooms; a new hall and kitchen is proposed to be constructed to the left side of the existing building in place of the existing hard play area and school toilets. New toilets will be provided in compliance with statutory requirements. Building Bulletin 99 will be used as a guideline for constructing the new extensions to the existing school.</p>

The new Reception class is expected to be available from January 2013. Remaining building works at the school will be completed by April 2013.

3. Additional information

Between September 2007 and September 2011 an additional 1786 primary school places were created throughout the borough. Of those 1360 were permanent places through permanent school expansions, whilst 426 were temporary places, also known as 'bulge' places. 'Bulge' classes are a short term solution.

Even with the additional 'bulge' places, a significant number of Brent children remain without a school place, particularly in the Reception to Year 3 age groups. To meet this shortfall in primary school places, the Council is implementing a programme to expand schools, which meet the criteria i.e. located in an area of local demand, with physical capacity to expand, leading to improving learning outcomes, making efficient use of resources and promoting diversity of type of provision.

Under the current proposal to expand Fryent Primary School, no changes to its special educational need (SEN) provision are being proposed.

4. The growing number of primary school pupils

The number of children seeking a primary school in Brent is increasing year on year. This is due to several factors e.g. the renewed popularity of Brent schools, the inward migration of children into the borough, the new housing developments throughout the borough attracting new families and the rising birth and fertility rates. As a result, school places are reducing in areas of high demand. 'Bulge' classes add capacity for just one intake year and in the following year create a sense of greater shortfall in borough wide places.

Trend in primary pupil numbers in Brent

As at January	Reception number on roll	All ages – Reception class to Year 6
2007	3027	20959
2008	3183	21338
2009	3291	21512
2010	3386	22071
2011	3623	23297
Change from 2007 to 2011	596	2338
Percentage change	19.7%	11.2%

5. The need for more primary school places in the future

In August 2011 Brent Council carried out a review of primary school places which estimated that an additional 15 forms of entry (15FE) will be required in Brent by 2014/15. The pressure of increasing demand is already evident with few places available in Brent's 60 primary schools. Brent Council is supportive of the proposed expansion of Fryent Primary School to help address the shortage of primary school places.

Demand continues to increase in the Kingsbury area and a permanent increase from two to four forms of entry will help satisfy some of that demand. It is also anticipated that the increased demand for primary school places will eventually create a shortage of secondary school places.

6. Steps being taken by Brent Council in meeting the demand for primary school places in the borough.

Between September 2007 and 2011 the following permanent and 'bulge' classes were created:

	Rec	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Total
Permanent	244	341	251	236	176	56	56	1360
Temp/bulge	210	105	31	30	30	20	0	426
Total	454	446	282	266	206	76	56	1786

Other schools for which consultations for school expansions are currently underway include Barham Primary School and Mitchell Brook Primary School.

7. We would like to hear from you

At the moment the Council is consulting all interested parties including parents and staff at the school, all schools in Brent, Brent Council and neighbouring boroughs with an aim to receive feedback on the proposal.

The Council would welcome your views on the proposal to expand the school by 2FE. If you have any comments that you would like to make in relation to this proposal you can either use the attached tear-off response form or write to:
