The terms 'hard' and 'soft' Brexit have been recently been circulated in the media. A 'soft' Brexit largely refers to leaving the EU but staying in the single market. A 'hard' Brexit largely refers to leaving the EU and the single market. If there is a 'hard' Brexit, if there is a 'hard' Brexit, in your opinion should there be another Independence Referendum? (VALID)

Count	Column %	Yes - if there is a 'hard' Brexit, there should be another		No - even a 'hard' Brexit should not result in another		Total	Effective Column n	Unweighted Base
